Here is what's in this bottle of wine: From the ancient vineyards of San Feliu de Guixols, Blanquera Sliced comes from a vineyard that spans over 60 years of age in the great Bousquets family vineyards. Blanquera Sliced comes from some of the most beautiful vines that have ever grown in this region. It shows an intense, complex nose of ripe red berries, plums, chocolate and spices. Luscious mouthfeel, with an intense and powerful palate, flavors of plum, raspberry, red currant, cassis, cherry and chocolate. The wine is a Bousquets wine, from the great Bousquets family of vineyards. Sugden Sugden is a hamlet in the East Lindsey district of Lincolnshire, England. It is situated on the B1201 road north from Caistor St. Andrew. The Grade II* listed Saint Michael and All Angels' Church, which was built in 1829–30, is on the east side of the road. It has a 16th-century flint tower, a rare feature in East Lindsey. The former village school building is now a private house. There is a Windmill Inn, opened around 2000, in the north of the village.
