New Orleans won the NFC Championship Game on Saturday night, 26-23, over the Los Angeles Rams. It is the 10th Super Bowl in the city's storied history. The Saints defeat gives quarterback Drew Brees his third career Super Bowl victory, and it brings an end to a season in which he was selected for the third-team All-Pro by USA Today. Brees is quarterbacking his ninth season with the Saints. He is the fourth player to lead the club to a Super Bowl win and the second quarterback in the past four seasons. I first learned about the NFL in 1968, the year it awarded its first Super Bowl trophy. I was hooked right away. I have been a football fan ever since. The Saints are aiming to win their second title in four years. It was a successful season for the
