
Jurassic Park 1 Dual Audio 1080p 29

To save one child, three men die, one is kidnapped, and another is seriously injured. Yet the reunion of a divorced family is a happy one in this ... tragic story. On the screen we see the father looking for his son, all else being unimportant, for all other people are only an obstacle on the way to the cherished goal. And where are our saviors to save this family? And here begins the most interesting part. How can a man change to find a way out of a situation where everyone is against him? And this is not just a problem for the characters in the film, it's a problem for all of us. I liked the film. It is very strong, dynamic and fascinating.

It's very
